

## Employment Opportunity: Contract Android Developer

FIMS Inc is seeking submissions from Android Developers for a two year development contract. The successful applicant will be engaged as an Independent Contractor either in their own right, or through their private company (following acceptable company searches). Some information about FIMS Inc software is available at [www.ifims.com](http://www.ifims.com)

Development will be conducted from your own premises, using your own hardware, power, phone and other utilities. Hourly development rates quoted in submissions are to be inclusive of ALL Costs.

Some travel in the Pacific will be required and funded by FIMS Inc as the need arises.

A minimum of 20 Hours per week and a maximum of 40 Hours per week are assured and the successful applicant is expected to be available for development on the same basis.

All potential conflict of interest must be disclosed and will be reviewed by the FIMS Inc Executive Management team at their full discretion.

Security of Intellectual Property for FIMS Inc is essential, and the successful applicant must be able to prove integrity, and honesty through Government Security Authorisations, references, and/or verbal reference checks.

Applicants will be provided with some hand over training and support but should have a basic understanding of Android Application Development and Tuna Fishery operations in the Pacific. The successful applicant would ideally be expected to have a minimum of:

- High School Completion Certificate
- Certificate in Computing or Computer Science
- Proof of at least 2 years' Experience in Android Development
- Proof of at least 2 years' Experience in Tuna Fisheries operations in the Pacific

Beneficial additional Certificates could include:

- Microsoft Certificates
- iFIMS/FIMS User and/or Training/Trainer Certificates

Preference will be given to applicants from the PNA + 1 Party member countries in order to build domestic capacity.

Applications detailing your experience, qualifications and your hourly rate are to be submitted by email to David Wilkinson at [david.wilkinson@ifims.com](mailto:david.wilkinson@ifims.com) on or before 5pm AEDT on the 17<sup>th</sup> of February 2020. Applications will be assessed, and the successful applicant will be advised by email by the 29<sup>th</sup> of February 2020.

Please ensure that email and phone/Skype contacts are provided for yourself and all references.
